

Supplemental Material Submission Form (Optional)

If you are not applying to one of the schools in Carnegie Mellon's College of Fine Arts that requires an audition or portfolio review, we **discourage** the submission of supplemental materials submitted in support of an application for admission. These supplemental materials include material in the form of audiocassette tape, CD, DVD or VHS.

Should you decide to send supplemental material, you must complete and return this form with your supplemental material. The guidelines for the submission of supplemental material appear below. These materials will NOT be returned.

Please type or print neatly in ink.

Supplemental Material Guidelines

1. Complete and return this form with any supplemental material.
2. Detailing your artistic accomplishments in resume form is preferred over submitting actual work.
3. Submit abstracts of any research completed, but not the entire research manuscript.
4. Send only printed submissions that can fit inside an 8 1/2 x 11 folder (i.e. resumes, photos, slide jacket).
No submissions will be reviewed in the form of audiocassette tape, CD, DVD or VHS.
5. Submit supplemental material by the deadline of the application plan you choose (i.e. for non-fine arts Regular Decision applicants, supplemental materials must be postmarked by January 1).
6. Applicants to the schools in the College of Fine Arts should follow directions for submission of artistic talent found on pages 11-19 of the application booklet.
